Paper Drive Planned by P-TA Group

The Halldale ave. school P-TA Board members comprising two important committees, namely, the Budget and Finance and the Ways and Means committees, held a meeting at Mrs. E. E. Salcido's residence, the president of the Halldale ave. school P-TA, to discuss various projects in which this organization would participate in.

Highlights of the program discussed on Monday, Sept. 7, were some proper methods of raising money and from which 10 per cent of all money derived from the various projects would be given to the P-TA Health Center, a very worthy cause.

To start these projects, there will be held a paper-drive all day Tuesday, Sept. 22, in which the public is invited to participate. Those who are interested may call FA. 8-1293 or FA. 8-7458. Leave your name and address and a representative of this organization will call at your home, for the paper.

Following are the names of the members of the two committees: Mesdames A. A. Venable, J. Andrade, T. C. Myron, C. C. Devore, treasurer of the Lomita and San Pedro P-TA Council, D. Goolbsy and Mrs. E. E. Salcido, president of the Halldale.

P-TA Discusses Budget, Program

The P-TA board meeting of the North Torrance elementary school was held at the home of Mrs. F. Stoeckle 2612 W. 175th st. recently.

The budget for the coming year was read by Mrs. Walter Buffington. The program for the year was read by president Mrs. F. Stoeckle and approved by the board.

Mrs. Stoeckle introduced the new vice principal, Joe Brandon.

Carson Gets New Branch Post Office

A short dedication ceremony of the branch United States post office located at 23041 S. Avalon blvd. in the Carson district has been postponed from today till Thursday, Sept. 24, 2 p.m., due to an accident suffered by Supervisor Chace.

Supervisor Burton W. Chace and other civic leaders will be present at the 2 p.m. ceremony.

Getting a branch post office is the result of several years effort on the part of the Carson chamber of commerce in full cooperation with the Post Office department.

Man Hopes Wife's Ring Returned

James N. McLaughlin hopes that somebody found a ring and a wallet which he lost and that the individual would be kind enough to return these to him.

It is true that the brown wallet contained \$32 and a woman's ring worth about \$350, together with all his identification papers.

Though every dollar contained in the wallet means a lot to McLaughlin who lives all by himself, the ring's sentimental value means more than its monetary value since the ring belonged to his deceased wife.

McLaughlin is anxious to offer a reward and hopes that the finder would turn the objects in to the police or to Dr. R. A. Stetson, 1427 El Prado, FA. 8-3769.

FEET IMPORTANT TO OVER-ALL HEALTH

An important part of safeguarding children's health is to protect growing feet. Correct posture, foot health and comfort during adulthood depend upon proper care of children's feet during growth and development.

The National Foot Health Council recommend the following steps to keep children's feet in perfect condition.

Bathe and powder the feet daily. Be sure that hosiery extends one inch longer than the foot.

For school and play, children should wear flexible leather sole oxfords.

Don't put shoes on without hosiery.

Down Mexico Way

Newly arrived in Mexico City are Mr. and Mrs. Bennis Kuhn of 2453 Torrance blvd., Torrance. While in the Mexican capital they are stopping at the Hotel Guadalupe. They have visited Acapulco and Cuernavaca.
